

«A Snow-Flake»

(Eng) Translated by Tatyana Ivakhnina

The snow-flake on my palm
Melted.
And only cold reminding
Left it.

* * *

It didn't said good-bye,
Hoping hard,
That we were just for short time
Apart.

* * *

I feel that more, than me
It will live.
With rain and snow will fall,
I believe.

* * *

Will sink on people's palms
And will melt.
And only cold reminding
Will be left.
