

## «Thank You»

(Eng) Translated by Tatyana Ivakhnina

Thank you! You came and brought  
A lot of light into my days,  
And in your eyes, I see my lot  
Reflected in the gentle rays.

\* \* \*

Thank you: I felt not the time,  
No matter if I had my clock.  
I hear the echoing years chime:  
Our happiness is in stock.
