

«White Snow»

(Eng) Translated by Makarenko Catherine

Light is the long alley,
Snow is so white.
Having no money
Can one live his life?

* * *

Sweet is the deception,
World is so lightful;
Is visiting many places
Really delightful?

* * *

Night is so hot
With awful stuffy heat.
In dreams I saw great ocean
With fresh and caller winds.

* * *

Summer is so long,
And endless is the rain.
Its better to keep silence
If happiness is plain.
