

## «They, who Liked me»

(Eng) Translated by Makarenko Catherine

I will never forget  
Them, who liked me sincerely,  
And those people, whom tender I liked.  
Like a shadow, which flickers on a frozen window,  
Years will vanishing promptly fly by.

Over twilight of days people will sign  
Their names with sunlight and their fortunes.  
They, who loved her,  
And those by her who was liked,  
Will be sacred in Heaven in future.
