

## «Your Appearance»

(Eng) Translated by Makarenko Catherine

Time will when flowing to eternity  
Leave your appearance unchanged.  
You were so young before, and henceforth  
Be free from power of age.

And Time will stride, and it for sure  
Will help you keep abreast with it.  
Your victory, young girl, is pure.  
So let your happiness be complete.

This path will change into a broad way...  
It does not lead to any fad  
But to the centre of the Garden.  
You've won! And now Time is glad...

Time will when flowing to eternity  
Leave your appearance unchanged.  
You were so young before, and henceforth  
Be free from power of age.
