

## «I am Glad»

(Eng) Translated by Makarenko Catherine

I'm glad when you're successful,  
It's a pity if you're not.  
Sad that things, which are amazeful,  
Turns usually into a rot.

I'm glad to see your findings  
On your unexplored way.  
Let your pace, dear, be victorious  
To the Glory – all the way!
