

«The Maestro of Great Talent»

(Eng) Translated by Makarenko Catherine

How fortunate that all the time
From depths and to the Heaven
Our orchestra is headed by
The Maestro of great talent.

* * *

It's such a luck, that our band
With him. He never shouts.
If you mistake he'll understand
In spite of any doubts.

* * *

If you'll beg pardon he'll forgive,
Suggest; he'll help his herd.
May loud our orchestra give
«The world's ruled by the Word.»

* * *

Who is above the Word for us
From depths and to the Heaven?
He plainly rules the crowd of us
The Maestro of great talent.

* * *

You'll ask me if he is talented at all
While thinking you give me a challenge.
We'll answer in unison: «his talent is above all
Because our Maestro's a genius».
