

«To Be What I Am»

(Eng) Translated by Tatyana Ivakhnina

From time to time you'll cry and laugh,
I'll sneeze and you will bless my health,
You'll be capricious, suffer, love,
And warming me will warm yourself.

* * *

And I will hug you hard enough,
Keeping your sweet heart in my palms...
«To be capricious, suffer, love»,-
I'll call the happiness for us.

* * *

I'll promise, that this bliss will last,
Believe, the fate of favor came,
For now I have learned to trust,
You've taught to be just what I am.
