

## «Keep Her Beauty»

(Eng) Translated by Tatyana Ivakhnina

A strike! – The team had scored a goal.  
...Hope, God gives you defense.

\* \* \*

The victory! – a year passed sole.  
...From jealousy, offence.

\* \* \*

Let's cool the stands with downpour.  
...You're very nice, indeed!

\* \* \*

With you will wait the final for.  
...My soul was so much pleased!

\* \* \*

And our guys are adroit fellows –  
Thank them for the game.

\* \* \*

...Perhaps, I did forgot your palace,  
Your beauty kept the same.
