

## «Braver»

(Eng) Translated by Tatyana Ivakhnina

Walk braver, ignoring others' eyes,  
Bathe in your youth, read the dreams.  
To find your heart a poison tries –  
Cold words that crowd always deems.

Do not take leisure for creation,  
Do not seek memories, even a few.  
Full of the most vivid admiration,  
My poem celebrates children and you!
