

## «Hurry to Fly Away»

(Eng) Translated by Tatyana Ivakhnina

Hurry to fly away where day  
Is the same as a night.  
We will welcome you if you stay,  
Not rejecting the flight.

\* \* \*

A bit fine-looking and dull,  
Staggering after your friends,  
You turned the strength into null,  
Drinking liquor to bitter ends.
