

«I don't Notice Partings»

(Eng) Translated by Makarenko Catherine

I don't notice partings,
And of this fact I'm scared.
I long for extra meetings
At time when we foregather.

* * *

You're seeking, I'm loosing;
It sades me like a hell.
You say that you forgive me;
I answer, «Farewell...»

* * *

I know you're happy there;
Your land is hot and bright.
It will divide severe
Cold wind in half alright.

* * *

We aren't alike, anyway,
I always lose, you seek.
You won't invite to join you,
But you I will forgive.
